Despite the multitudes of success that we have been able to achieve as a company in the past, we are far from done in terms of expansion. We shall continue to carry on the same traditions of devotion towards this restaurant that the family expressed since day one.

Through our continued hard work and dedication, we plan to create many more restaurants that are just as committed to maintaining the standard of excellence that we have labored to establish. As new El Jalisco restaurants open up across America, they continue to receive raving reviews from critics and customers alike. These allow us to reflect positively upon our accomplishments as an organization and enable us to proudly step forth as we step into the future.
